

## Information For Foreign Residents

### ☞ IZUKOGEN SHINWAKAI ☝

IZUKOGEN SHINWAKAI is one of largest organization in Higashi-Izu area, with 2,832 members, of which 2,608 members are individuals who own land and buildings. The number of permanent residents has increased, accounting for nearly 40% today.

More than 60 years have passed since the sale of condominiums began, today the organization has grown and its scope of the SHINWAKAI has also expanded. Missions related to garbage disposal, maintenance and management of roads (total 46km long) and infiltration ponds, installation and management of security lights, countermeasures against vacant houses and vacant lots, support for tree management, support for mutual friendship activities among members, voluntary disaster prevention activities, etc. have such increased.

The area around Izu Kogen is a region certified as a global Geopark, rich in precious nature, and there are many places to leisurely stroll, including historical ruins, as well as places where you can taste a variety of local ingredients and enjoy rich hot springs.

For the future, an important mission for the SHINWAKAI will be to work together with Ito City Gov. to create an environment where people can live in Izu and choose Izu as their final home.
